Module 5 : Mobile Marketing

MOBILE MARKETING industry is booming. Specific, Measurable, Achievable, Realistic and Timely. PPC is largely results driven, making clear goal setting and documentation mission critical. Adwords mobile marketing and PPC strategy must align with your greater business goals. A few examples of PPC goals are increasing clicks to your website, improving click conversions. Marketing on Mobile apps is a very important marketing tool that you are taught. There are a number of factors that you must consider in the early stages of your app marketing, including branding, keywords, and competition. You learn to market on Android as well as IOS platform.

Module 6 : Affiliate Marketing

AFFILIATE MARKETING
Affiliate marketing has just started in India contrarily to what it is in United States. Generate leads or bring in potential customers for business online & get paid. Earning opportunity in affiliate marketing is unlimited. At DMTI you will learn how to do affiliate marketing. How to use Flipkart, Amazon, Jabong - affiliate codes on your website or blog ..etc. **GOOGLE ADSENSE** :Why is the internet biggest source of information? Do you think that people just publish a blog or provide piece of information for nothing? Google through which you can earn money by placing ads on your blog/website.

Module 7 : Email Marketing

EMAIL MARKETING
EMAIL MARKETING Electronic marketing is directly marketing a commercial message to a group of people using email. Create Attractive & Creative Newsletters with Various Themes. In its broadest sense, every email sent to a potential or current customer could be considered email marketing. It involves using email to send ads, request business, or solicit sales or donations, and is meant to build loyalty, trust, or brand awareness.

Module 8 : O R M

ONLINE REPUTATION MANAGEMENT
ORM - stands for Online Reputation management. ORM basically influences the reputation of an individual's or business's. The advancement of internet and social media use, along with reputation management companies, have made it primarily an issue of search results. You learn how to remove and over lap the negative complaints or using SEO tactics to influence results and much more.

Module 9 : Google Webmaster Tools
